|                           |     | Subtotal          | EUR 2,509.00 |
|                           |     | Synthetic VAT 22% | EUR 551.98   |
|                           |     | Total             | EUR 3,060.98 |

SYNTHETIC TEST DOCUMENT - NO REAL PERSON, COMPANY, OR TRANSACTION

Classifier evidence hints

The document requests accounting treatment for billed services, includes monetary line totals, tax, and a due date.

| Control                | Synthetic value                                                     |
|------------------------|---------------------------------------------------------------------|
| Ground truth category  | invoice                                                             |
| No real data statement | All names, addresses, IDs, amounts, and transactions are fictional. |
| Expected action        | Classify from document text, not from filename.                     |
| Filename leakage check | The PDF filename intentionally does not reveal this category.       |

Audit note: this file was generated as part of an expanded DocWeave local test corpus. It is suitable for demonstrations of classification, review proposals, rename approval, and restore lineage. It is not a real business record.
